Acceptable masks for patients, staff and visitors

All patients, staff and visitors are required to wear a mask while on OHSU Health property.

**ACCEPTABLE MASKS**

N95 respirators are preferred for health care personnel during specific care activities, but may be worn by patients or visitors if that is what they are wearing when they arrive.

**HOW TO CORRECTLY WEAR A MASK**

Masks must be worn over nose and mouth at all times.

**UNACCEPTABLE MASKS**

Why? Masks with vents/exhalation valves allow unfiltered exhaled air to escape. This is an unacceptable form of source control as a universal mask while on OHSU Health property.
