

# How to apply for financial assistance

## Instructions for filling out your application

By law, all hospitals have to provide financial assistance to people and families who meet certain requirements. You may be able to get free care or pay less for certain services based on your family size, income and assets, even if you have health insurance. To view our financial assistance policy, please go to [tuality.org/patient-resources/financial-assistance/](https://tuality.org/patient-resources/financial-assistance/).

## What is covered by financial assistance

---

- Not all services qualify so you will need to make sure that the service is covered before you get it. For a list of services **we do NOT cover**, see our financial assistance policy at [tuality.org/patient-resources/financial-assistance/](https://tuality.org/patient-resources/financial-assistance/).
- Please note that if you are approved for financial assistance, it does NOT guarantee that you will get services.
- If you could qualify for Medicaid or other programs, we encourage you to apply for these as they may have additional benefits.
